JOIN US OUT 2023!

Utemagasinet is the magazine for you who love active outdoor life. We write about everything related to hiking, kayaking, trail cycling, trail running, cross-country skiing, long-distance skating, classic touring and summit tours on skis.

With many years of knowledge at the bottom, and a nose for new outdoor trends, we inspire small and large adventures. It can be about everything from making a fire by a lake and making your own brewed coffee, to planning and carrying out a hike in Swedish mountains or a summit week in Norway. What equipment is needed? Where are the most beautiful views? What do the local experts say? You will find the answers in Utemagasinet.

In each issue, we present detailed tests of highly current clothing and / or gadgets for outdoor life and outdoor sports. We also highlight product news and write in-depth articles on themes such as sustainability, functional materials, innovation and outdoor trends.
