

Travel as a passion

Vagabond is Sweden's largest travel magazine. Its first issue was published in 1987, and the magazine has been growing steadily ever since. It is now Sweden's unrivaled brand for travel inspiration and information. The magazine's inspiring travel tips, well-written travel stories, and stunning photographs have repeatedly won several prestigious awards. The editorial team includes recipients of awards like 'Journalist of the Year' and 'Columnist of the Year.' Quality and passion always go hand in hand in everything Vagabond produces, whether it's the magazine, guidebooks, or digital travel guides.

Curiosity is the driving force of the readers, extending beyond the discovery of new destinations and cultures. New products, new technology, overall experiences, as well as food and beverages, are important in the lives of Vagabond readers. Vagabond's readers are unique, with 58 percent being women.
